

## Australian Hydrographic Office - Wollongong News Item

HMFEG PR release 13/06  
31 Oct 06

### **'Duyfken' crew visits the Australian Hydrographic Office**

With the replica 1606 Dutch yacht 'Duyfken' visiting Wollongong on its voyage south to Tasmania, the Acting Captain of the vessel (Mr Toby Greenlees) paid a courtesy call on the Australian Hydrographic Office (AHO). The Australian Hydrographic Service has supported the re-enactment activities of the vessel with the supply of paper navigation charts. As a token of appreciation, the 'Duyfken' presented the Hydrographer of Australia, CAPT Rod Nairn, RAN with a colour working drawing of the replica.
