

*To accompany Australian Notice to Mariners 426/2002*

MAINTAINED DEPTHS

Mariners are advised that silting occurs within the harbour. Attention is drawn to temporary Notice to Mariners referring to depth information. Mariners are also advised that information on the current promulgated depth for each area is available from the Harbour Master Newcastle by contacting the Vessel Traffic Information Centre on VHF Ch 9 or by telephoning (02) 4985 8292.

*Note for chart Aus 208*
