The Rescue Coordination Centre New Zealand (RCC NZ) is responsible for the coordination of land, sea and air search and rescue in the New Zealand Search and Rescue Region (NZSRR). RCC NZ, which is based at Lower Hutt, near Wellington, covers all types of operations and is the only declared RCC for New Zealand. Taupo Maritime Radio (ZLM) located in central North Island and is remotely controlled from the Maritime Operations Centre at Lower Hutt. Taupo Maritime Radio maintains a continuous listening watch on international distress frequencies and remotely controls 30 VHF Stations.
