

This map shows the Line Islands area, including islands such as Long Island, Middle Passage Island, Angle Island, Passage Island, South Passage Island, and Solitary Island. Depth contours are marked with numbers (e.g., 118, 112, 102, 92, 82, 72, 62, 52, 42, 32, 22, 12, 02). A dashed purple line runs diagonally across the map, labeled "INADEQUATELY SURVEYED (see ZOC Diagram)". A solid purple line runs along the bottom, labeled "UNSURVEYED". A note in the upper left corner states: "Note: Gas (see Note)".
