This map shows the Line Islands area, including islands such as Long Island, Middle Passage Island, Angle Island, Passage Island, South Passage Island, and Solitary Island. It features depth contours in fathoms (e.g., 10, 20, 30, 40, 50, 60, 70, 80, 90, 100, 110, 120) and various labels for reefs and shoals (e.g., Meda Reef, Gas). The map is divided into three survey status regions: 'INADEQUATELY SURVEYED' (purple dashed line), 'UNSURVEYED' (solid purple line), and 'SCo' (Shoal Contour). A note indicates 'Gas (see Note)' near the Gas Shoal. The map also shows the 'PACIFIC' Ocean and the 'Line Islands' area.
