

This is a detailed nautical chart of the Milne Bay region in Papua New Guinea. The chart shows the coastline of the bay, including Redscar Bay, Kido River, and Darebo Hill. Several islands are depicted, including Vari Vira Island, Bava Island, and Haidana Island. The chart includes numerous depth soundings in fathoms and meters, as well as navigational aids such as Fl. 10s 10M and Fl. 3s. A dashed line indicates a survey track, and a purple box highlights a specific area of interest. The chart also shows the location of the PNG LNG Terminal and the Huhundamo. The chart is oriented with North at the top.
