# **ANNUAL AUSTRALIAN NOTICES TO MARINERS**

**IN FORCE FROM 22 APRIL 2016**

(Former Annual Australian Notices to Mariners dated 1 January 2015  
is cancelled and should be destroyed)

The Annual Australian Notices to Mariners contained information regarding navigation charts and publications. However it will no longer be published in its previous format. All relevant information has been transferred into the Seafarers Handbook For Australian Waters (AHP20). The ANTM publication provides a tabulated list giving the reference between the previous ANTM number and the corresponding sections of AHP20.
